FIND A NOTE CARD ON YOUR TABLE

Take a moment and think about the past year.....

During the COVID19 and the SNOVID21:

1. What are you grateful for.
2. What did you discover about yourself.

Notecard: Flip

During the COVID19 and the SNOVID21:

1. What one value did you learn about your circle?
2. Did you find difficulty in making choices during this time frame?

Choices drive actions.

• Influences:

- Environment
- History
- Experience
- Perceived or false gratitude
- Culture
- Habit
- Weakness

- Stubborn
- Peer Pressure
- Ignorance
- Personal taste
- Interest

choices

In a perfect world with perfect grammar..... There has to be a capital letter. One that will step up and stand tall.

Shift and become responsible to lead the pack/group

Without a shift you become a follower that is accountable for the choices in which the leader makes.

It is not how safe you are, but
how safe you could be.

Will you Lead or will you
follow?
